Describe your ceramics level of experience:

- ☐ Expert – College Masters level BFA, MFA, or MA.
- ☐ Intermediate – Many years, highly skilled in all aspects.
- ☐ Intermediate Level 2 – Two years of college and/or two years of classes
- ☐ Intermediate Level 1 – One year or more of High School or classes
- ☐ Beginner – Less than a year.

What would you like to do here? Please choose ONLY one.

- ☐ Work at hand building
- ☐ Work on wheel throwing

The following represents the structure of participation in the Makers Station Pottery Program. Night classes are from 7:00pm until 10:00pm, and run for a 6-week period. Sunday afternoon classes are from 12:30pm-3:30pm. You may register directly through us in-person, over the phone, or online at www.MakersStationGallery.com

☐ **Student** - ONE (3 hour) night class per week at $39.00 per week. (minimum sign up is for a 6-week period. Total cost: 6 weeks/$234.)

- If you chose category A, which night would you prefer?
  ___ Monday ___ Tuesday ___ Wednesday (*advanced only*) ___ Sundays (*day*)

☐ **Resident** - Welcome to use studio during day/store hours, $245.00 per month. One month's security deposit is required at time of sign up. (Total cost @ sign up $490.)

Resident Special! Pay 3 months in advance and receive $50 off!

Security deposits are a one time, returnable fee. You can either apply your deposit to your last month, or it will be returned when/if you are through being a resident. ***Reasons why you would not receive your deposit back*** *include but are not limited to - theft of materials, damaging equipment, taking advantage of time (I.E - if your membership has expired and you continue to come in.)*

6 Week Class Add-On's

- ☐ **Studio Time - $90 per 6 weeks -** Permits enrolled students to work on new projects at their leisure during store hours during the 6 weeks. Allows an additional 14 pieces for the glaze firing.
- ☐ **Raku Firing - $50 per firing -** Permits enrolled students to participate in one raku firing with up to 4 pieces.

Basic Information: You will receive your first 5lbs of clay on us with your initial (meaning first time ONLY) sign up. We use a stoneware clay body, which you may purchase in 5lb. bags for $7 (including tax). Porcelain and White Stoneware is available for experienced and intermediate students at a cost of $8 (including tax) per 5lb. bag. The cost of clay includes costs incurred from wax, bisque firing, glazes, and glaze firing. We have basic tool kits ($14.95 + tax) as well as individual tools available for purchase. If you choose to handbuild, you will need a piece of canvas to work on which we have available for $7 + tax.

Clay Exchange: Our clay exchange is applicable if you have clay that has dried out (i.e you had a pot flop on the wheel, you trimmed through the bottom, you took clay home and never used it, etc.) Once you get to 6 pounds of weight in clay, you are eligible to receive a 5 pound bag at ***half price***. Once you get to 12 pounds, you are eligible for a 5 pound bag at ***no cost***. We do **NOT** want and will **NOT** accept clay that is more wet than when you received it. **If the clay sticks to your hands it is too wet**. Please try to weigh in your clay in the beginning or at the end of class, not in the middle. There is a sheet on the chalkboard where we tally up weight in clay. If you are not active for 2 or more sessions, we will not continue to transfer your weigh-in clay and you will lose any amount of clay you have accumulated.

Student/Resident Production & Limitations: Each Student may have **up to 16 pieces per 6 week session. Residents may have up to 30 pieces per 6 week session.** (Pieces with a diameter of 8in. or more, will be considered as 2 pieces.) If you go over the limit, a firing fee will be calculated and you will be charged accordingly. (height x width x .15 cents) Ex: 6in. x 5in. x .15 = $4.50. While we understand flat things are the easiest to make, they take up the most surface area in the kiln. Due to space limitations and the volume of student work, you are allowed **up to 2 large flat pieces** that exceed the size of our setters (9x14x1). If you exceed the limit, you will be charged accordingly. (height x width x .60) Ex: 2in x 10in x .60 = $12.00. **ALL fired items must leave the studio**, if fired pieces are not picked up within 5 months, they will be disposed of.

Actively Enrolled Drop-In Policy: Students enrolled in a 6-week pottery class may drop-in during store hours at a discounted rate of $29 per session, clay not included. The discounted rate is only valid during your 6-week session and during the break immediately before your enrolled session begins (after the previous session has ended). The discount ends when your 6-week session concludes. Available during store hours only. If you choose to come on a Sunday, please come between 10a-12p as we have a class from 12:30-3:30.

Refund/Make-up Policy: There are **NO refunds for missed classes or absences**. You will receive only class credits, the class credits must be used **BEFORE** the following session begins and will **NOT** be accepted once the following session begins. After notifying us, and based on availability - you may make up classes during another class night. You may also use our drop-in Mondays (1p-4p) to make up a class. It is your responsibility to make time to get here for any make up classes as there are more than enough opportunities to do so. Students that are registered for “Studio Time” are still eligible to make up a class up until the next 6 week session starts.

Parties – Come have a pottery party, it’s a fun and rewarding experience! We have hosted Girl Scouts, Couples Parties, Girls Night Outs, Birthday Parties and more! We can accommodate parties and groups of all ages (under 14 must be accompanied by an adult). There is a $50 set up fee, $35 for kids 14 and under - includes 2 ½ pounds of clay, $40 for ages 15+, includes 5 pounds of clay. 8 person minimum, 16 person max. 2 hours.

Our firing cycle follows our class schedule, please be aware that depending on when you drop in, or have a party – **it can take up to 3 months for your work to be completed**
